

TEACHING READING AT NJK

Information for
Parents

READING AT NJK

Read, Write Inc.

How to help your child at home

How to teach the sounds

- Reception children bring home a green sounds book as soon as they start in September
- Followed by blending books and then ditty sheets
- Red books come next once they can read CVC words with single letter sounds and ***special friends***
- Yellow sounds books to help them practice the next set of sounds (set 2)

- *Please note:*

The small yellow sounds book contains all the sounds that they will learn in reception AND year 1 so please do not think they have to learn them all in the next few weeks! As always children should recognise a new sound and be able to blend with it in words and write words with it rather than learning lots of new sounds but not the skills to use them in reading and writing.

READ, WRITE INC.

- Reading books are sent home every 5th day.
- Please return books to ensure there are adequate resources in school for other groups.
- Photocopied sheets of red and green words or ditties should be kept at home for further practice, they do not need to be returned to school.

READ, WRITE INC.

Practice is
the key

Ensure you use
PURE sounds

**Read
regularly**

Little and often-
10 minutes per
day

Watch the
videos

Gather the
resources you
need

- *You will know what colour group pupils are in by the corresponding colour of the Read Write Inc reading book that they bring home.*
- Parents of any child receiving an additional 10-minute intervention during the afternoons to support them with their reading, will be informed via their home school link book.

HOW TO HELP YOUR CHILD AT HOME

THANK YOU!
