## Ofsted Inspection – 21 and 22 April

As you are aware, a team of His Majesty's Inspectors (HMI) and Ofsted Inspectors visited the school on 21 and 22 April.

The pupils were exceptional throughout the inspection. They spoke confidently about their learning, clearly explained and demonstrated the impact of the school's work, and behaved impeccably at all times. They were a real credit to themselves and to the school.

Thank you to all parents and carers for your continued support. Thank you also to the NJK team, who have worked extremely hard since our previous inspection to continue moving NJK forward and to ensure we provide a good quality education for all our learners.

The inspection report takes some time to be finalised and published. We will inform you as soon as it becomes available to read.

## Dairy Date...

### Year 6 France Trip

On Thursday 30<sup>th</sup> April at 6pm Mrs Clarke will lead a meeting for pupils and parents providing information about their forthcoming visit to France.

## Summer Term Reminders

We hope that the weather will soon become warmer and sunnier. To ensure all children remain comfortable and safe throughout the school day, we kindly remind families to follow our Summer School Uniform Policy and to take appropriate sun-safety precautions.

In hot weather, please ensure that your child comes to school each day with a cap or sunhat, sunscreen applied before school (children should be able to apply their own if bringing sunscreen) and a water bottle, clearly named to sip from throughout the day.

The approved summer uniform is outlined below. It is optional should pupils wish to wear these cooler items in the summer. All uniform should be clearly labelled with your child's name.

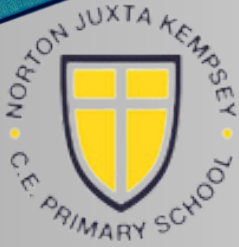

- Light blue and white checked summer dress (no shorts or playsuits)
- Grey shorts
- White, grey or navy socks
- Black shoes
- Summer sandals may be worn but must be navy or black and secure

Thank you for your continued support in helping us maintain high standards of uniform and ensuring that all children are prepared for warmer weather. If you have any questions regarding the summer uniform or sun-safety arrangements, please contact the school office.

*Just a friendly  
reminder...*

The Professional Development Day scheduled for Friday 22<sup>nd</sup> May has been moved to Monday 2<sup>nd</sup> June.
