Just a friendly reminder...

The Professional Development Day scheduled for Friday 22 May has been moved to Monday 1 June.

New School Website Launch

We are delighted to announce the launch of our brand-new school website!

All existing content has now been successfully transferred across, ensuring that key information remains easily accessible for our school community. In addition, we are continuing to enhance the site with new and updated content, so we encourage you to check back regularly for the latest news, events, and resources.

Our new homepage has been designed with usability and accessibility at its heart. Some of the fantastic new features include:

Google Translate Integration

Visitors can now quickly translate website content into multiple languages, making our site more inclusive and accessible for families from diverse backgrounds.

Accessibility Settings

Users can personalise their viewing experience by adjusting; background colours, text contrast, font styles and size.

These tools are designed to support easier reading and improve accessibility for everyone.

The website has a clean, modern design and is fully mobile-friendly, ensuring it works smoothly across phones, tablets, and computers.

We hope you enjoy exploring our new website and find these improvements helpful.

Summer Term Reminders

We hope that the weather will soon become warmer and sunnier. To ensure all children remain comfortable and safe throughout the school day, we kindly remind families to follow our Summer School Uniform Policy and to take appropriate sun-safety precautions.

In hot weather, please ensure that your child comes to school each day with a cap or sunhat, sunscreen applied before school (children should be able to apply their own if bringing sunscreen) and a water bottle, clearly named to sip from throughout the day.

The approved summer uniform is published on the school website.

Thank you for your continued support in helping us maintain high standards of uniform and ensuring that all children are prepared for warmer weather. If you have any questions regarding the summer uniform or sun-safety arrangements, please contact the school office.

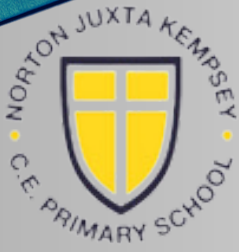

Year 6 SATs Week

Next week, our Year 6 pupils will be undertaking their End of Key Stage 2 assessments (SATs). This is an exciting and important time, as these assessments reflect the culmination of seven years of hard work and dedication both at school and at home.

We are incredibly proud of all the effort Elm Class has put in and are confident that they will do their very best.

To help ensure everything runs smoothly, please make sure all pupils arrive at school on time each day. Prompt attendance will minimise any disruptions and help create the calm, supportive environment our children need in order to perform at their best.

Thank you for your continued support, and we wish all of our Year 6 pupils the very best of luck! Next week, Year 6 pupils are invited to a special SATs breakfast from 8.30am Monday–Thursday.
