TEAM SELECTION POLICY

The Father has loved us so much! He loved us so much that we are called children of God. And we really are his children. – 1 John 3:1 – ICB

The value of love is at the heart of both the Christian faith and our vision here at NJK.

God's love for all people inspires us to give love in abundance. We value and care for ourselves, others and the world around us as God's creation, demonstrating our values of friendship, compassion, forgiveness and respect.

We believe this is of the highest importance to enable pupils to explore their differences with tolerance and mutual respect.

Our school vision is integral to everything we do at NJK.

We want to discover and maximise each child's unique potential.

We aim to deliver a joyful and inspiring curriculum and school experience where every child feels loved, valued and cherished.

At Norton Juxta Kempsey CE Primary School, our sporting philosophy throughout the school is to encourage children to enjoy all aspects of PE; whether it is competitive or creative, individual or team based. We apply the School Games values of: respect, honesty, determination, teamwork, passion and self-belief to support pupils to develop behaviours, qualities and inter-personal skills that help and encourage pupils to play or participate in sports throughout their lives, bringing many proven benefits both physically and socially.

All pupils experience competitive and non-competitive sports internally at school; playing matches within lessons, participating in school intra/inter competitions and at wider sports events.

Since the introduction of the School Sports Premium, we have benefitted from the ability to work in partnership with Avonreach Academy Schools, School Games and South Worcester School Sports Association. As a school we enter many matches, festivals and tournaments (both competitive and non-competitive) organised by these sporting associations. We align our curriculum offer to enable pupils to learn and apply skills in their PE lessons and all the staff involved recognise the need to work towards an inclusive approach that enables as many pupils as possible to experience competitive sport and in some cases represent the school.
