LO: To understand the events of Boudicca's revolt against the Romans.

Task 17

(From the topic tasks sheet)

If you haven't completed this task yet, research the events of Boudicca's revolt against the Romans, including: why Boudicca was upset and decided to take action; how Boudicca prepared for battle; what happened during the revolt; and what the outcome of the revolt was.

Then, in your book, produce a storyboard of the events. Your storyboard can be 6, 8 or 9 scenes long and should include a sentence beneath each picture to explain what is happening. Make your storyboard as detailed and colourful as you can (but only use colour pencil!).
