NEVER JUDGE A BOOK BY ITS MOVIE!

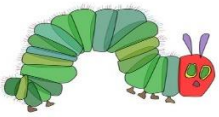
IN THIS ISSUE: THE NJK OSCAR CEREMONY

Get ready to roll out the Red Carpet...

Fun with Books Club

Fun with Books Club is a group of key stage 2 children with a love of books and stories, who meet every Friday. They are so passionate about reading and writing stories that they want to make sharing this love their prime goal.

Their organisation and planning meant 'Children's book Week' was a great success. Newly published books were read at break times and are now in high demand from the library. Amelia sold cakes to the staff and raised enough money to buy an additional 3 books for the library. Everyone enjoyed dressing up as their favourite book character and casting their vote in the whole school 'Favourite Author' election.



Eric Carle was a huge hit with the younger children and came out as overall winner.

Jude was crowned Extreme Reader Summer 2016 and has won himself a signed book by Anne Fine.

The new 'Fun with Books Club' members have their own plans to hold an Oscar style ceremony where you will nominate a character or book for certain categories

It's sure to be fun and they are eagerly reading books that are being made into movies as we speak.

I wonder if you have spotted any stories like this in the library.

Look out for more details in the school library and the 'Fun with Books' page on the school web
