tourist	a person who is visiting a place for pleasure and interest
travel	when you go from one place to another, often to a place that is far away.

Why was the Apollo 11 moon landing so important?

- **Before** the Apollo 11 **flight mission**, people had been in **space** as part of the **Space Race** but had not yet been to the moon.
- This was to be the next step in **space travel**
- On July 16th 1969, Saturn 5, was **launched**. There were three American **astronauts** on board; Neil Armstrong, Buzz Aldrin and Michael Collins.
- It took four days to reach the moon.
- Neil Armstrong was the first man on the moon - 19 minutes **after** Buzz Aldrin joined him.
- They **gathered** moon dirt and rocks to bring back to Earth.
- They also took photographs to show what the moon was like.
- The moon landing was important because it told us that people could **travel** there and back safely. It would also help us find out more about **space** and the moon.
- Neil Armstrong **famously** said, "One small step for man, one giant step for mankind."

Space Travel timeline	
1947	First animals sent to space . They were fruit flies sent on some corn.
