

## **Sport Premium**

PE and Sport play a very important part in the life of Norton Juxta Kempsey CE First School and at least two hour sessions per week are dedicated to physical activity in the curriculum. We believe that physical education and sport contribute to the holistic development of young people and through participation in sport and physical education, young people learn more about key values such as teamwork, fair play and respect for themselves and others.

There is significant evidence to show the positive effects of sport and exercise on children's physical health, growth and development. Furthermore, sport also provides a healthy environment for young people to learn how to deal with competition and how to cope with both winning and losing.

In April 2013, the Government announced new funding (Sport Premium) for physical education (PE) and sport to improve the quality and breadth of PE and sport provision at School, for two years. The school has received £5316 so far this year. We are using the Sport Premium to improve the quality of PE and Sport provision in the following ways:

- employing a PE Learning & Teacher advisor to work with teachers to increase their subject knowledge and confidence in PE
- providing cover staff to release teachers for professional development in PE and sport
- procuring quality-assured professional training and resources for staff to raise their confidence and competence in teaching PE
- supporting external sports coaches to run competitions, and to increase pupils' participation in school games competitions
- quality assuring the work of Sport coaches and instructors employed to coach PE lessons and after-school sports clubs
- using the funding to support sport tournaments, festivals and competitions for pupils of all ages including bell boating
- providing places for pupils in after-school sport clubs and holiday courses
- supporting midday supervisors to introduce playground games at breaks and lunchtimes
- Sport Partnership with Sport Challenge to develop after school clubs at Norton Juxta Kempsey CE First School
- establishing, sustainable partnerships with local community sports clubs
- subsidising transport, pool hire and swimming instruction
- subsidising outdoor and adventurous activities on Residential trips

## **Impact**

There is an increased amount of after school sports club uptake this year. The PE Leader has audited attendance and will target groups/individuals to ensure that extra curricular sport is part of their day at school.

Improved PE sessions in school hall as a result of investment in the school's infrastructure & resources.

A more varied list of after school clubs for pupils to choose from. Gymnastics and Netball added this year. Tennis, multi-sports & Karate able to run throughout the year.
