

# NJK School Newsletter

‘Together, with the love and joy of God, we will discover, develop & maximise our unique potential.’

Tuesday 8<sup>th</sup> July 2025

## Sports Day – Monday 7th July

We were overwhelmed by the size of the crowd and the positive support at our Sports Day yesterday. Thank you to everyone who helped organise such an enjoyable event. The Colour Run was a huge success!

We are thrilled to announce that NJK has been awarded the RSF Bronze Medal for our work with Network Rail, Platform Rail, and Great Western Railway (GWR) during this academic year. The program aims to have every school in the UK enrolled by 2027, ensuring that all students receive vital safety education.

## Whole School Concert

Thank you for attending our annual whole school concert on Wednesday 2nd July at 1:30 PM. The pupils put on an excellent show for a huge audience, showcasing their talents and hard work.

## Congratulations to the Eco Reps...

### Feedback

Green Flag Award, 2025

**Norton Juxta Kempsey CE Primary School**

**Award Level:** Distinction

**Focus topics:**

NJK has been awarded a distinction for the Eco-Schools Green Flag Award thanks to the work of our Eco-Council. This is the feedback about their work...

The Eco-Council's greatest achievement this year has been their ability to lead by example, inspiring the wider community with their enthusiasm and dedication to the environment. Within the school, they have made a lasting difference by enhancing the grounds and creating a vibrant wildlife area.

Eco-Schools also loved:

**Coral the Clownfish:** A litter collection sculpture that transformed crisp packets into survival blankets for the homeless.  
**Bee-Friendly Skeps** at Worcestershire Parkway: Beautifully decorated bee skeps that highlight the importance of pollinators.  
**Pond Area Regeneration:** Revitalising the pond to support aquatic plants and wildlife.  
**RHS Malvern Show Garden:** Featuring a bug hotel, this garden showcased NJK's commitment to biodiversity.
