**Year 6 Educational  
Visit to Normandy  
20<sup>th</sup>- 23<sup>rd</sup> May 2025**

What a privilege to accompany the Year 6 pupils on their visit to France again this year! During our stay we visited The British Normandy Memorial (above). It stands just outside the village of Ver-sur-Mer overlooking Gold Beach, one of the two beaches where British forces landed on 6 June 1944 (D-Day) 81 years ago today. It records the names of all those under British command who lost their lives in Normandy between 6 June and 31 August 1944. On the columns of the memorial are the names of more than 22,000 men and women. The majority of these names are those of the British soldiers, sailors, marines and airmen who lost their lives on D-Day and in the weeks that followed. In addition to this amazing place, we also visited Honfleur, Bayeux to view the tapestry, Falaise Castle, Arromanches 360 cinema plus the American Cemetery and one of the German Artillery Batteries. In every place we visited, including during the ferry crossing, our pupils were complimented on their engagement and exemplary behaviour. A very kind gentleman, visiting Arromanches during his cruise-ship holiday, was so impressed by the NJK pupils, he put €40 behind the counter at the Glacier and asked for all pupils to have an ice-cream! The pupils who stayed at school that week created detailed projects, completing their work to a high standard. All Year 6 pupils received a congratulations in assembly today.
