## Celebrating Success at the RHS Malvern Spring Festival!

We are thrilled to announce that our school has achieved remarkable success at the RHS Malvern Spring Festival this year! Our show garden, themed around Worcester, has been awarded the highest accolade of Highly Commended and also received the prestigious award for Best Wildlife Garden. With 90,000 visitors attending the show, this recognition is a testament to the hard work and dedication of our pupils, staff, and volunteers.

Under the expert guidance of Mrs. Marshall, and with invaluable support from Mrs. Parry and Mr. McAll from Little Acre Gardens, our team has created a masterpiece that truly captures the essence of Worcester. The garden features a variety of native plants and innovative designs that promote biodiversity and provide a haven for local wildlife.

The RHS Malvern Spring Festival, running from 8th to 11th May 2025, is a fantastic event showcasing inspiring gardens, spectacular blooms, and plenty of ideas to try at home. We encourage everyone to visit and experience the beauty and creativity on display. Congratulations to everyone involved in this incredible achievement! Your hard work and passion have made our school proud.
