NJK Space Days

Today, there has been great excitement in school as all pupils have been enjoying a space-themed science day. Unfortunately, due to unforeseen circumstances, the planetarium company had to postpone their visit. We are awaiting an alternative date and this will be shared with you in due course.

Look at the some of the wonderful entries to our design a poster competition (above photograph). We will display the rest in the school for everyone to view.

Thank you to Mrs Kingdon for organising these interesting and informative activities.
