

***'Together, with the love and joy of God, we will discover, develop & maximise our unique potential.'***

Dear Parents,

Friday 27<sup>th</sup> September 2024

**NJK Library Information – Autumn Term 2024**

After the excitement of the library opening last academic year, there has been much work going on behind the scenes to ensure it is not just a wonderful place to spend time reading but the range and quality of texts is matched to the needs of our NJK pupils.

**The library will be open again at 8.45am – 9am Monday 30<sup>th</sup> September** and will be available to pupils each morning for them to return books that they have read and to choose a new book. The library will be supervised by a member of staff during this time.

A reminder that our non-fiction books are for use in lessons and reference so will **not** be taken home. All pupils will have a library session with their class during the week to access these books.

**Please note some small but important changes:**

The fiction chapter books are no longer colour coded with stickers or arranged in alphabetical order. They are now arranged in a numerical order – in order of complexity. This is because we are about to launch **Accelerated Reader** for our Key Stage Two pupils, so the books have been reorganised and a new coding system is in place.

We will be sending some information to parents about the Accelerated Reader programme early next week.

In the meantime, pupils are welcome to visit the library from Monday where a staff member will be available to guide them to the right areas of the library to choose from.

Kind regards,

Mrs J Dean  
Headteacher
