

Dear Parents and Carers,

We are delighted to be supporting the NSPCC by taking part in Number Day on **Monday 5 February 2024**.

## Everything the NSPCC does protects children today and prevents about tomorrow

The NSPCC need our support more than ever. By raising money, we can help to fund their vital services such as Childline – the helpline that’s always there for children and young people whatever their problem or concern.

On average, a child contacts Childline every **45 seconds**

### Making maths meaningful

Number Day is a great way to make maths fun and bring about a positive, ‘can-do’ attitude towards it.

- We will be enjoying some fun maths activities and we will be taking part in *Dress up for Digits*. Pupils are asked to wear an item of clothing with a number on it (football shirt, cap, netball shirt or even a onesie!). Or get even more creative by dressing in a maths or numbers theme. To help raise money for the NSPCC, we are asking for donations, and we’d love everyone in the school to take part in this special event.

### Safe fundraising

- Please send in a donation to support NSPCC’s work in a sealed envelope.

### It all adds up

We’re really looking forward to all the fun of Number Day, and we really appreciate your support. All the money we raise at NJK will make an enormous difference to children today and help the NSPCC be there for children tomorrow.

Thank you.

Kind regards,

Mrs Goddard  
Maths lead
