

Tuesday 23rd May 2023

Dear Parents,

Information Letter 4 – Summer Term 2023

Diary Dates

IT Systems

The final phase of the updates to our IT system is being carried out over half term. I have a handover meeting arranged for Friday 2nd June and hopefully all of our equipment will be back up and running for Monday 5th June.

Summer Holiday Football Camps-Kick Start

Danny Jackson, our football club provider is hoping to offer summer camps for our pupils. Further information to follow.

Summer Holiday Camps-Delta Sports

Delta Sports provide the lunchtime clubs for pupils and sports coaching during PE lessons. They will be offering some exciting holiday provision for our pupils during the summer break. Look out for their flyer after half term for dates and details of the activities.

Pupil Reports

In early July, all pupils will receive their annual progress and attainment report, written by the class teachers.

Family Worship

Our next Family Worship is on Thursday 25th May at 2.30pm in the school hall. We look forward to seeing you all there.

Bikeability

The pupils in Year 4 took part in a Bikeability course a few weeks back and thoroughly enjoyed it. Bikeability is cycle training designed to give children the skills and confidence to ride their bikes safely. Year 6 pupils have their Level 2 Bikeability course this week, funded by the Sports Premium Grant. Many thanks to the PTA for funding the Year 4 Bikeability.

Whole School Concert

We have an exciting date for your diary... Thursday 6th July we will be hosting a whole school concert showcasing talent from across the school. In early June, all families will be issued with tickets for the performance, which will begin at 1.30pm.

UK Maths Challenge

18 of our upper key stage two pupils took part in the UK Maths Challenge Competition in April. The top 4 mathematicians for NJK were: Jack, Dan, Phoebe and Rory who all achieved bronze awards, putting them in the top 25% of entrants nationally.

Big Battery Hunt

We are really pleased to share the results from NJK's Big Battery Hunt. The grand total is 1918 batteries!

Thank you to everyone who took part! The batteries will now be responsibly recycled. Please do keep collecting your batteries to recycle them, rather than throwing them away. You can find your nearest recycling point using the Recycle Now website.

Parking

Please park safely and considerately around school and the neighbouring side-streets. We often have calls from frustrated local residents who are unable to access their own properties/driveways.

Kind regards,

A handwritten signature in black ink, appearing to read "J Dean". The signature is fluid and cursive.

Mrs J Dean
Headteacher
