

NJK Sport

April 2022

Issue 6

News In Brief:

As always with sports at NJK, we like to finish the term in the same way we started...with SUCCESS! In the last 3 weeks, we have had a fantastic cricket taster day, delivered by All Stars and Dynamos cricket coach Sam; Harriet represented our school and the county in the NATIONAL cross country; Year 3 Netballers and Footballers competed in a tournament at RGS The Grange; the Year 5/6 girls competed in the COUNTY Sportshall Athletics at the Winter School Games celebration AND we took a team to compete in a multi-skills Pentathlon.

In addition to all of this, we have had an excellent attendance at the many sports clubs we have run this term and are look forward to seeing the registers filling up for the summer sports program which kicks off after the Easter break.

Year 5 Netball Weekend at Condover Hall

A group of 14 Year 5 pupils travelled to Condover Hall in Shropshire, on 11th-13th March, to take part in a fantastic weekend of netball. The two teams competed against 9 other schools and clubs in a round robin tournament and while they weren't on the courts, pupils made use of the outdoor activities available in the centre.

The pupils played exceptionally well and learnt a great deal about the game whilst building bonds within the team and fighting hard against their opponents. Overall, out of 11 teams, Team 1 came 5th and Team 2 came 9th.

School Achievements

A HUGE well done to the Sportshall Athletics team who represented South Worcestershire at the Winter School Games competition on Monday. They fought hard against some large Primary and Middle School teams at the county-level competition. We are all very proud of you!

Year 3 Netballers and Footballers had a fantastic time at their tournaments at RGS last Friday. They all played exceptionally well and the football team even made it into the semi-final!

Another HUGE well done to the Pantathlon team who came **THIRD** in their competition on Thursday. The team of 8 pupils took part in a carousel of activities where they accumulated points toward their final, overall score.

Activities included: new age kurling, parachute popcorn, polybat, precision bean bag, flight path skittles and slam dunk. The team returned to school with huge smiles on their faces at their fantastic achievement.

Other News...

Tom and Theo attended the Sportshall UK Championships on Sunday 27th March, representing Herefordshire and Worcestershire, and WON the U11s boys Regional Final!

Harriet represented Herefordshire and Worcestershire at the National cross country on Saturday 26th March, where she came 49th out of 144 runners and was also the FASTEST Year 5 girl in the county team!
