

Dear Parents,

14th March 2022

Information Letter 14- Spring Term 2021 – 2022

Worcestershire Poetry Slam 2022

Following an exciting and successful visit from the Poet Laureate Spoz, some of our KS2 pupils performed at The Palace Theatre in Redditch on Wednesday 9th March. It was a very enjoyable evening, Spoz was the compere and four additional poets were the judges. Our two NJK teams battled against sixteen other teams from Worcestershire primary and middle schools and one of our teams came third! So that is another trophy for the cabinet!! Congratulations to all of our pupils who represented NJK as they all did an amazing job - Max, Erin, Baxter and Ben and the trophy winners: Theo, Rosie, Amelia, Mia, Elliot, Thomas.

Condover Hall

Mrs Clarke took two teams of netballers to Condover Hall, Shropshire, over the weekend. The pupils enjoyed adventurous activities and played ten games of netball in the tournament. A great time was had by all! Many thanks to Mrs Clarke for her time and thanks too to Miss Foxall-Reilly (also known as Brown Owl to our pupils who do Rainbows and Brownies) for accompanying the children on this residential visit.

Positive Covid Cases

Confirmed cases of Covid:

Cedar- 1 pupil
Maple- 1 pupil
Ash- 1 pupil
Hazel- 1 pupil
Rowan- 4 pupils
Oak- 3 pupils
Willow- 1 pupil

Curriculum Workshop for Parents

The next information session is on Wednesday 16th March at 2.30pm and 6.30pm for parents of pupils in Year 6. Mrs Clarke will be sharing all of the necessary information about the end of key stage 2 statutory assessments tests. (Year 6 SATs). Please contact the school office if you would like to attend either session.

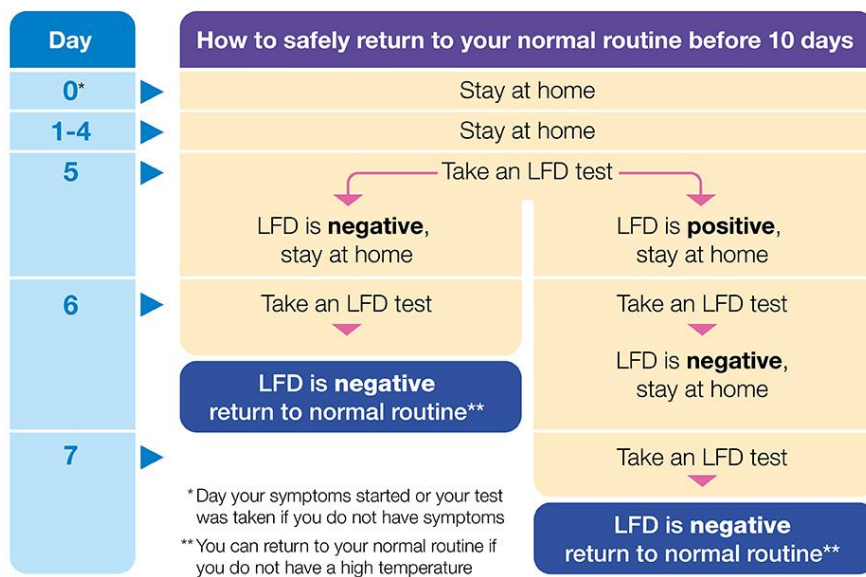

Covid Guidelines

The key message at this point is that pupils still must not attend school whilst they are infectious, despite the headline about lifting the legal requirement to self-isolate. The main points from this guidance and separate schools' operational guidance are summarised below:

- If you have any of the main symptoms of Covid-19 (a recent onset of a new continuous cough; a high temperature; or a loss of, or change in, your normal sense of taste or smell) you should order a PCR test. You are advised to stay at home and avoid contact with other people while you wait for the test result.
- If you test positive, you should continue to stay at home and avoid contact with other people. This includes not attending work.

- If you can, you should let people who you have been in close contact with know about your positive test result.
- Children and young people with Covid-19 should not attend their education setting while they are infectious. They should take an LFD test from five days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should Children and young people with Covid-19 should not attend their education setting while they are infectious. They should take an LFD test from five days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should return to their educational setting, as long as they feel well enough to do so and do not have a temperature.

Kind regards

Mrs Dean
Headteacher
