

Dear Parents,

4th March 2022

Information Letter 12- Spring Term 2021 – 2022

Positive Covid Cases

We have four cases in school currently. One in Cedar and three in Rowan Class.

Avonreach Visit

Yesterday, we welcomed a group of trustees and members from the board of Avonreach Academy Trust. The eight guests viewed pupils' work, took part in lessons and were wowed by our Learning Ambassadors and Head Pupils. Throughout the morning, the whole school had a very positive and purposeful atmosphere. All of our pupils were a credit to NJK.

School Calendar

Following a trust meeting today, please look out for new dates being added to the school calendar on the website.

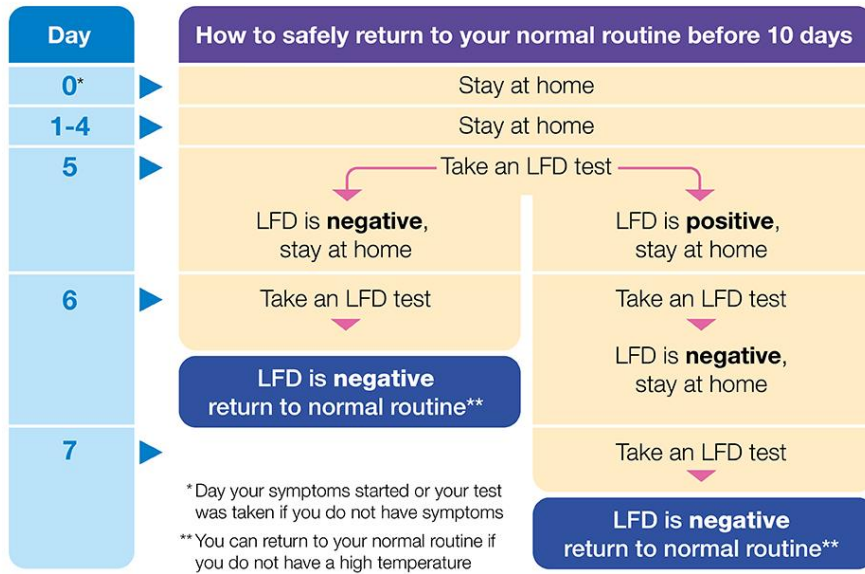

County Cross Country

Three pupils from NJK, Rosie, Harriet and Eva, took part in the County Cross Country at Wolverley High School yesterday. Harriet came third overall and now qualifies for the national competition.

Covid Guidelines

The key message at this point is that pupils still must not attend school whilst they are infectious, despite the headline about lifting the legal requirement to self-isolate. The main points from this guidance and separate schools' operational guidance are summarised below:

- If you have any of the main symptoms of Covid-19 (a recent onset of a new continuous cough; a high temperature; or a loss of, or change in, your normal sense of taste or smell) you should order a PCR test. You are advised to stay at home and avoid contact with other people while you wait for the test result.
- If you test positive, you should continue to stay at home and avoid contact with other people. This includes not attending work.
- If you can, you should let people who you have been in close contact with know about your positive test result.
- Children and young people with Covid-19 should not attend their education setting while they are infectious. They should take an LFD test from five days after their symptoms started (or the day their test was taken if they did not have symptoms) followed by another one the next day. If both these tests results are negative, they should return to their educational setting, as long as they feel well enough to do so and do not have a temperature.

Kind regards

Mrs Dean
Headteacher
