

10th October 2019

Dear Parents / Carers,

ISing POP Concerts – Monday 14th October

The pupils have all had a lovely week preparing for the ISing Pop Concerts on Monday 14th October. Staff will walk the children to St James' Church for the afternoon concert which will start promptly at 2.15pm and Parents / Grandparents who are attending can take their child/ren home directly from the church. Pupils who still need to attend afterschool club will walk back to school with staff. Pupils bags will be left in school ready for the next day.

Children are to wear an ISingPOP T shirt or other brightly coloured T shirt together with school trousers or skirts for both concerts. Pre-ordered ISing POP T shirts will be distributed at school on Monday prior to the afternoon performance. T Shirts and other items will also be available to purchase at church.

It is important that you complete the slip below and return back to school tomorrow, Friday 11th October to enable us to collate a list.

Kind regards

Mrs J Dean
Headteacher
