

Collaborating for Success

Dear Parents,

11th October 2018

Change of Age Range Application

We are writing to keep you updated regarding our Change of Age Range Application.

Following requests for additional information, our application was re-submitted to the Regional Schools Commissioner (RSC) in September. The RSC has reviewed this and would like further clarification on a couple of points from the Pershore High School before it is submitted in November (not 19th October as previously communicated) to a Board of Headteachers for their final decision.

This is still within the time frame for parents to apply for a Year Five place at Norton Juxta Kempsey for September 2019 if you wish to do so.

The four schools within the Trust have been working on our Year Five and Six Curriculum Offer and are very excited about the opportunities we can offer the children. If the application is successful we propose to meet with parents as soon as possible to share this with you.

We would like to thank you for your patience in this matter and hope to be able to give you a definitive answer in November. In the meantime if you have any questions please contact me via the school office.

Yours sincerely,

Mrs Dean
Headteacher
