						<b>RE</b>	
						God and creation. Why is the word God so important to Christians? Finding out about what the Bible says about God	

Welcome to the first newsletter of the new academic year. We are delighted to welcome you and your child to NJK and hope that your child will settle in quickly and enjoy coming to school.. This letter is designed to give you a quick overview of what we will be covering this half term. In the first few weeks we will be concentrating on getting to know all of the children by observing, playing with them and sharing different activities. **A key part of this will involve sharing the children's 'Marvellous Me Bags' in small groups so please ask if you need another bag!** As you will now be aware we ask the children to change into their pumps as soon as they come into school and to keep their shoes for wearing outside. During the first few weeks we will be happy to help the children do this but will encourage them to complete this task independently as soon as possible. We will also be basing much of our learning around some familiar, well known Nursery Rhymes. If you have any questions about your child's learning or any other queries please do not hesitate to speak to a member of staff or to phone or email the school office and Mrs Cross will pass on the message to us.
