Library update. Thanks to your generosity last year we were able to purchase a further £5000 worth of Non-Fiction books during the summer holidays, which are now on the library shelves. We are proud to have helped create this amazing resource.

## NJK THRIVE Room Created

We've introduced

**thrive**

in our Setting

With the support of Worcester Bosch, Wickes and Northwood Estate Agents - school staff, PTFA and volunteers were able to create a designated THRIVE space during the summer break. Thrive is a therapeutic approach to help support children with their emotional and social development. It has been an invaluable addition to the care NJK are able to provide and NJK's THRIVE practitioner, Mrs Baker, is over the moon and so are the pupils!
