Spring 2025

Issue 1

News In Brief...

We are thrilled to share that our school has had an exciting start to our sporting events this year!

Our Year 5 and 6 students showed incredible determination in their county cross country competition where 5 pupils (Holly and Harry from Year 5 and Poppy, Elsie and Jacob from Year 6) qualified through a district round in October. Our pupils showcased incredible perseverance; each student gave their all as they pushed through the course with the goal of achieving personal bests. The finish line was a sea of smiling faces, with enthusiastic cheers for team members and past pupils alike. A special shoutout to Harry for his exceptional performance, finishing 9th! Well done to everyone involved!

The Year 3 and 4 students participated enthusiastically in the Avonreach cross country event held at the Parish Hall where they were able to bring 11 medals back! A great achievement.

Our Year 2 students had a fantastic time visiting Flics Gymnastics with other children from the trust. They were supported by the wonderful leaders from PHS to participate in a variety of activities using the sprung floor, vault, beam, bars and track.

Additionally, we are proud to announce that our students performed exceptionally well in a busy Panathlon event, securing a commendable second place.

Within school, we held an indoor athletics event where Corunna house became champions, followed closely by Peninsula.

What a busy few months we have had here, but all the pupils who have represented the school at the different events have shown excellent teamwork and sportsmanship. They truly have been wonderful sports ambassadors for our school!
